

Oakbank School

Naples Trip 2020

Dear Parent/Guardian,

Firstly, thank you very much for your patience with us at this time. COVID has made foreign travel difficult and school trips have been complicated even further, so thank you for bearing with us.

It is with the best interest of our students, parents and staff that we have decided to cancel the Geography Department's Trip to Naples. We do not do this lightly and Mrs Walker & I are very disappointed to have reached this decision. However, we did not feel that it was fair to have the uncertainty hanging over our students and parents given how quickly, and drastically, travel restrictions and Government guidance can change during this time.

The school has filed an insurance claim for the cost of the trip and as I'm sure you'll appreciate, insurance companies are overwhelmed at the moment and therefore taking significantly longer than usual to process claims. We will update you further as and when information is made available to us.

We apologise for the inevitable disappointment this will cause your child but it is the safest, most suitable option. If we can rebook with confidence in the near future, then your child will be given priority over others to secure a place.

Best wishes,

Mr Burrows & Mrs Walker

Geography Department
