No students will be able to sign up or attend once the club has been started. The deadline for sign up is Monday 5th October at 4pm. Registration for each club will be on a first come, first served basis as we have to limit the numbers for each activity due to Covid restrictions.

PE Kit:

All students should come into school in their kit if they have a club after school on that day, there will not be facilities to change. For Football, all students should have shin pads and boots or they will not be able to take part.

For both Netball and Table Tennis normal PE kit and trainers will be fine.

Once signed up to a club each student will receive a small card that will notify members of staff that they are attending a club that day and have permission to attend school in their kit.

No jewellery will be allowed to be worn and hair must be tied up prior to any physical activity.
