

# Oakbank School

Dear Parent/Carer

## **Open Evening Preparation – School Closure at 1:10pm on Monday 21<sup>st</sup> September**

This year's open evening event will be a little different to previous years in that we will be streaming an on line event, instead of having the school open for everybody to visit.

In previous years we have closed early on the afternoon of the Open Evening but, in order to prepare for this event, we will be using the afternoon of Monday 21<sup>st</sup> September to film showcase lessons with Year 8 students so that we can give a real taste of Oakbank life to our incoming Year 6 students.

This will mean that we will be closed to all year groups (except Year 8) from 1:10pm on Monday 21<sup>st</sup> September. In order to make sure students are not missing out too much we will be setting everybody a Home Learning task on Teams for them to complete during the Monday afternoon. Further information about this activity will follow in the next few days.

Year 8 students will be following a wide range of activities during this afternoon and will be taught in lessons outside of their regular zone. All classrooms they go into will have been thoroughly sanitised before they use them and all Covid safety procedures will have been maintained. We will be filming students for a video we will be showing to Year 6 students and their families and will be asking for your authorisation to do this in a separate letter.

If you have Year 6 children it is worth noting that the Online Open Evening event will take place during the evening of Wednesday September 23<sup>rd</sup> and further information will follow.

Thank you

Robin Bertrand
