

Oakbank School

Students Return to School from Monday 8th March 2021.

Dear Parent/Carer,

We are looking forward to welcoming all of our students back from the week beginning Monday 8th March 2021. As a reminder, please find below the information for each year group. This includes the times they need to arrive at school, the entrance gate that they need to use and also the time that their school day ends.

Bubbles

To keep you all safe, we will be continuing by splitting the site (the buildings and playgrounds) into year group bubbles. As well as this, each year group will have its own specific entrance and exit to school and its own start time. It is really important that these bubbles stay separate and you won't be allowed to move between areas of the school during the day. Please also make sure that students are aware that when they return it is a Week A.

Your year group start time is 8.30am and you can start to arrive at school from 8.15am.
